

Meeting Minutes April 28th, 2010

Meeting called to order @ 7:10p.m.

All in attendance: Shelly Rozell, Beth Hyde, Kristen Marble, Sara Vakiener, Bernadette Raupers, Helen Teed, Tammy Houghtling , Patty Kline and Kathy Morehouse

Treasurers Report: We have currently sold one Ad but hope more individuals and businesses will contribute. One quote that was received for a 4x4 banner was \$130. These would be available for purchase by local businesses and private individuals to be displayed by the food booth and show office during shows. We are currently looking into a smaller sign.

Old Business:

JP North Tack Auction: We broke even this year with this event. Advertising cost \$250 and we purchased \$200 worth of awards for use at the fair and year end. We had a great turn out, standing room only at times. Thanks to all who came to support our kids.

New Business:

Star Tests: We will be offering another opportunity for those who would like to take the Star Tests on **May 22nd @ the 4H building @ 2:00pm**. Please contact Shelly and let her know what test(s) you would like to take.

Show Programs : The June Show programs will be on the website momentarily.

May Horse Show: Shelly and Eva will be in the office to assist you with your needs, Lauren Beach will be your announcer for the day and Kaitlyn Marble will be your ring steward. * For this show there will be NO stall fee, we will see how well everyone cleans their own stall before they leave. We will discuss further at a later meeting.

Judges: A Judge has been hired for the June 5th show and her name is Jennifer Lewis.

Fair: Herdsmanship- Shelly is going to make several new templates that we will review at the next meeting. We are hoping to make several new changes that will make the judging process fair for everyone.

State Fair: Anyone who may be interested in showing at this year's State Fair must show at 1 of the June Shows and County Fair. They also must be consistent in their winnings to qualify in their division.

Inter-County: Mark is going to keep the committee updated on the process of getting the show up and running again. We will be contacting Lisa Mitchell to let her know that we are definitely interested in offering a "Train the Trainer" seminar. This is open to anyone involved with the kids and 4H Horse Program.

Photographer: Tom is unavailable this year to take photographs of the kids but wishes them all a fun and safe show season.

Other: Sarah is looking into expanding and offering more jumping classes. We hope this will draw more outside kids into the program.

Meeting Adjourned @ 8:45pm

Next Meeting will be May 26th, 2010 @ Panera Bread @ 7:00pm. All are invited to attend.
