

# **ERIE COUNTY 4-H DOG PROGRAM**

# *Program Handbook*

Revised March 2009

## **PROGRAM INFORMATION**

The ultimate goal of the 4-H Dog Program is not the training of dogs, but rather the training of young people to reach their potential and become responsible citizens. The dog is used as a medium for this training. In the process of working with their pet, a youth will meet challenges, responsibilities, successes and failures which may help him or her grow and mature as a person.

The 4-H Dog Program is open to any boy or girl between the ages of 5 and 19. Five, six, seven, and eight year old members can participate in the many non-dog handling activities 4-H offers. A member must be nine years of age (as of January 1) to participate in dog handling activities such as training classes and shows. The 4-H year runs from October 1 through September 30.

The 4-H volunteer leader is a very important aspect of the program. Volunteer leaders have a unique position that allows them to assist in the development of youth. These youth will look to you as the expert and for evaluation of their progress.

There is a wide range in the economic and personal background of youth in the 4-H program. Some youth are blessed with a suitable pet and interested and informed parents. Other youth may have an unsuitable or very difficult dog for training or parents who care very little about their development or success in the program. Youth who are having difficulty in training their dog will need encouragement from their leader. Try to be sensitive to their problems and assist as best you can.

Dogs must be owned by the 4-H member or by a member of his or her immediate family. An exception will be allowed where the 4-H member is training a non-family owned dog and a written statement to this effect is submitted by the 4-H leader to the 4-H Office by the child's first show with that animal. Dogs entered in 4-H dog shows must be project dogs that the exhibitor has been working with for a minimum of six weeks before that member first shows that dog. Clubs may restrict the number of dogs each member uses as a 4-H project.

Announcement of all 4-H dog shows will be made through the *Erie County 4-H News*

## **RULES AND REGULATIONS**

**It is the responsibility of each leader, parent and exhibitor to ensure that each dog is trained and/or groomed exclusively by the 4-H'er exhibiting that dog.**

1. All dogs **MUST** have an up to date rabies certificate and license. Copies of these documents are required at any 4-H dog show and must be readily available at all 4-H dog program events (training classes, club meetings, etc.).

It is required that copies of rabies certificate and license be submitted with fair entry form for both the Erie County and New York State Fair 4-H Dog Shows

It is recommended that you have your dogs immunized (as appropriate to their age) against distemper, hepatitis, leptospirosis and parvovirus yearly. Bordetella and parainfluenza virus vaccines are also recommended annually for show dogs. Exhibitors should consult their veterinarian for further information about these vaccines as well as internal and external parasite control programs.

2. Dogs displaying uncontrollable aggression toward another dog **OR** individuals displaying inhumane behavior toward a dog will be evaluated by the Show Superintendent at the time of incident:
  - a. First offense – the handler/individual will be given a warning and suggestions on how to correct the behavior.
  - b. Second offense – the dog/handler/individual will be asked to leave.
3. Exhibitors are responsible for their own dogs and must immediately clean up after their dogs. Failure to observe these regulations will result in immediate disciplinary action
4. If a dog defecates or eliminates in an obedience ring, they will lose 30 points.
4. A bitch in season must not be brought to any training class or show.
5. All dogs should be at least 6 months of age.
6. Dog leashes for Beginner on lead exercises are to be 6 feet in length.
7. Intact clothing must be neat, clean & properly fitting with no rips or tears. Sleeved shirts (including t-shirts) are required for all classes. No cutoffs, mid-drifts, minis, open toed shoes or obscene logos/language on attire. Skirts and dresses must be of an appropriate length, not higher than 3 inches above the top of the kneecap. In addition: Agility – must wear sneakers or rubber soled shoes, no cleats. Dress shorts may be worn but must be no higher than 3 inches above the kneecap. Obedience – no blue jeans. Blue jeans are acceptable for 4-Person and Drill Teams.
8. The performance of the 4-H'ers and their dogs will be scored according to standard score sheets. In general, American Kennel Club (AKC) rules will be used for obedience class evaluation. However, mixed parentage dogs are welcome.
9. No food/bait is allowed in the ring during obedience, agility, or rally classes, whether in a pocket or exposed.
10. The Danish system will be used for awards (blue, red, and white ribbons). Order of presentation: Good (red ribbon) and Worthy (white ribbon) awards distributed in random order followed by Excellent (blue ribbon) awards ranked in reverse order (last blue to first blue).

11. Limping or injured dogs may be excused, at the judge's discretion.
12. Exhibitors are encouraged to enter higher class levels than their qualifications. In no case may an exhibitor enter a lower class level. It is the responsibility of the exhibitor's leader and/or parent/guardian to ensure this.
13. All judges' decisions are final. No score changes will be made, except mathematical errors that are reported promptly. No changes will be made once the show is concluded. All questions should be directed to the show superintendent.
14. An entire class will be evaluated by only one judge.
15. All members participating in any 4-H dog show (club, county fair & state fair) **MUST** attend the Mandatory Dog Program Educational Meeting held prior to the dog show season. Failure to do so will result in not being eligible to show at any 4-H dog show for that season.
16. Members may participate in other county 4-H club shows (excluding county fair shows) and have those points count towards Erie County state fair qualifying. For this to occur members **MUST** submit the following to the 4-H office by **July 15<sup>th</sup>**:
  - Certificate of Points Form on page 13 of this program. Form must be completed and signed by a show representative.
  - Score sheet(s) from show.
17. All Erie County club shows and qualifier events (excluding county fair show) are open to any New York State 4-H member.

## **INDIVIDUAL CLASSES**

**NOTE:** No dog may compete in more than one of the following classes: Beginner A, Beginner B, Graduate Beginner A, Graduate Beginner B, Novice A, Novice B, Graduate Novice and Pre-Open. An individual can compete at one level only with each dog. In no obedience class (except Brace, 4-Person Team, Drill Team) may the champion(s) compete with the same dog(s) in future years.

Obedience classes should be entered based on the dog/handler's level of training.

In obedience, a dog should move to the next training level in the following 4-H year, if the dog has a qualifying score in at least three dog shows that use 4-H Dog Show guidelines including club shows, state qualifying events, and county fair show. She/he must move to the next level if the dog is chosen for State Fair with a qualifying score. A qualifying score is defined as an excellent score under the ribbons/scores section. Exceptions are possible for unusual circumstances.

### **Special Classes**

**Service Dog Class** This class is only for those dogs currently being raised by 4-H members for an organization that provides dogs to aid the handicapped (e.g., Guiding Eyes for the Blind, Hearing Dogs, etc.). It is intended as a way to inform the public of this important aspect of the 4-H Dog Program. Dogs will be evaluated on their appearance (grooming) and simple obedience appropriate to their age and service. Entry **MUST** include the name of the organization for which the dog is being used. Service Dogs are allowed to wear identification (blanket, collar, etc.) appropriate to their sponsoring organization.. Any dog that is released from a service dog program is no longer eligible for this class. **Dogs entered in this class cannot also participate in any other**

**obedience class except Drill Team Class.** Members participating in the Service Dog Class should prepare a brief statement to be shared at the dog show at the fair about their Service Dog Why did you decide to do this project, what has it taught you, your goals and achievements, and a little about the organization you are working with.

The Figure 8 will require the use of 5 stewards as "posts". Once lined up for the Recall, the judge will instruct the 4-H'ers to leave their dogs (all four handlers leave as a group). Starting from the judge's left and working to the right, each 4-H'er will call their dog individually. Once all four dogs have been called, the judge will instruct the handlers to finish their dogs (as a group). Maximum possible score will be 800 points. 4-H'ers and dogs who have participated in this class in previous years may repeat as long as they qualify at the county level. The team will be scored according to the "Drill Team Score Sheet".

**If a dog defecates or eliminates in the ring during the Drill Team, they will lose 15 points per occurrence.**

### DRILL TEAM SCORE CARD

POINTS FOR CONSIDERATION:

Appearance-uniformity, neatness, appropriateness	10
Appropriateness of musical accompaniment	5
Difficulty of the routine	15
Handling	15
Obedience - attentiveness to the aims of dog obedience	20
Originality	15
Precision	<u>20</u>
Total	100

### **GROOMING AND HANDLING CLASSES**

**\*\*REIMINDER\*\*:** It is required and expected that all grooming at shows be done by 4-H members only.

**Grooming and Handling A** - For 4-H'ers who are competing for the first time in Grooming and Handling at State Fair, unless the Handler has qualified for the Open Class of Junior Showmanship at an AKC Show.

**Grooming and Handling B** - For 4-H'ers who have previously competed in Grooming and Handling at State Fair.

**Grooming and Handling C** - For 4-H'ers who have previously been a Grooming and Handling B Champion and/or have qualified for the Open Class of Junior Showmanship at an AKC show (or the equivalent), even if it is their first year.

#### **General Guidelines for Grooming and Handling Classes:**

The appearance of the animal (Grooming) will account for 45 points and the showing (Handling) of the animal will account for 45 points. Knowledge of handler (appropriate to class level) will account for 10 points. Maximum possible score will be 100 points. **Ties are broken based upon knowledge of handler.**

If a dog defecates or eliminates in the ring during Grooming and Handling, they will lose 15 points **per occurrence.**

*Discriminating* use of bait (food, toy, etc.) will be allowed in Grooming and Handling classes but is not mandatory. Inappropriate baiting will be severely penalized.

Dogs must be shown by the 4-H member who did the grooming.

The same dog may not be shown twice.

Gaiting Patterns - Dogs should be moved at a trot.

How smoothly a pattern is performed is more important than the actual mechanics of it (i.e., which hand switched where). 4-H'ers should strive to keep their dogs between themselves and the judge where possible.

4-H'ers in all divisions (A,B,C) will be expected to be able to gait their dog in a circle, a triangle and in a straight line. The straight line may be on a diagonal of the ring or parallel to a side of the ring (e.g., judge may ask handler to gait their dog "straight up and back").

4-H'ers in Grooming and Handling divisions B and C will additionally be expected to be able to gait their dogs in an L pattern and also in a straight line paired with another 4-H'er and his/her dog.

In any division (A,B,C), the judge will ask the 4-H'ers questions about their dogs. In the A division, basic questions such as "How old is your dog?", "What breed/breeds is your dog?", etc. may be asked to familiarize the 4-H'er with being asked a question and responding. In the B division, more difficult questions may be asked (e.g., parts of the dog, breed specific questions, etc.).

## **STATE FAIR QUALIFYING**

New York State Fair 4-H Dog Show entries must be submitted before the Erie County Fair. Entries will be complete at a scheduled meeting after the last qualifying show. Qualifying exhibitors and alternates will receive notification of this meeting. Members and parents will be expected to attend to complete the entry, submit required copies of dog license and rabies certificate and receive state fair tickets and important information about the state fair dog show. General information about the state fair dog show may be obtained from the Erie County State Fair Representative.

The following system is used to determine state fair qualifiers and alternates.

**OBEDIENCE and GROOMING & HANDLING CLASSES-** State Fair entrants will be chosen by averaging the scores for each handler/dog team in each class from the current year's Erie County 4-H Dog Qualifying Shows based on the number of qualifying shows offered:

<b><u>Number of Qualifying Shows Offered</u></b>	<b><u>Equation to Determine Average</u></b>
<b>1</b>	<b>The one score will be the average</b>
<b>2</b>	<b>The higher score will be the average</b>
<b>3</b>	<b>Sum of highest 2 scores/2</b>
<b>4</b>	<b>Sum of highest 2 scores/2</b>
<b>5</b>	<b>Sum of highest 3 scores/3</b>

**NOTE:** For any qualifying show a member does not participate in a zero (0) will become that member's score for that show. Example: If there are 5 qualifying shows offered and a member participates in two shows with scores of 150 and 145 that member's scores for the other 3 shows become 0, 0, and 0. This member's final average will be:  $(150 + 145 + 0)/3 = 98.33$ .

In case of a tie, a question or questions will be asked about general dog care & knowledge from a previously prepared sealed packet of questions and answers from the appropriate level PAWS curriculum by a previously designated person chosen by the state fair representative. The handler/dog teams with the highest average in each class will fill the openings for State Fair. Each handler/dog team must have at least one qualifying score, during the current 4-H year, in order to be eligible to enter in the State Fair Dog Show. In the event a State Fair class is still not filled, the next highest average in that class must have at least one Very Good (Red) score to be selected.

**AGILITY and RALLY O CLASSES** – State Fair entrants will be chosen from the member who has the single highest score for each handler/dog team in each class at the qualifying event.
