HOSTA'S

A HARDY PERENNIAL

***HAVE YOU BEEN LOOKING FOR A
PLANT TO BRIGHTEN UP THAT SHADY
SPOT IN YOUR YARD?***

Did you know that there are hundreds of different varieties of Hosta? Some can grow to over 5 feet in width while others may be lucky to reach 5 inches wide? And the colors, yellows, greens, blues, variegated and even spotted leaves.!

The Master Gardeners of Oneida County invite you to a **FREE** Mini-Learning session on how to grow, propagate and use these shade loving beauties.
