

Do You Need Approved Farm Service Agency Borrower Training Credits?

This Fall Cornell Cooperative Extension is offering On Farm Visits with our Farm Business Management Educator to be eligible for approved borrower training credits; the 4 session program is called:

Small Farm CFO: How to be a Good Chief Financial Officer

Sessions are directed to small farm owners-family farms with only one or two owner-operators, part-time or fulltime, growing all kinds of farm products. Each session will take place on scheduled dates and times chosen by you and will include:

- Paying attention to Farm Finances
- Controlling money through good habits
- Financial complexities made simple
- Utilizing financial statements
- Setting smart goals

The one on one farm visits will include discussion sessions to bring financial control and direction to your family farm. Call to schedule an appointment or email today! 315/736-3394 x 104 or bsc33@cornell.edu
