

Yes, No Think It Over . . .

You've had a crush on Chris for weeks. Chris invites you to come over after school. You know Chris's parents don't usually get home until around 6 and it is only 3. Do you go? *P.S. You have made the decision to stay abstinent.*

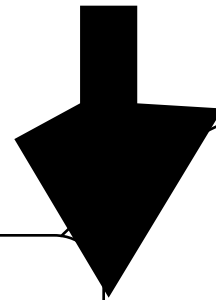

GROUP A

You are nervous about being alone with Chris, you offer an alternative. The two of you walk to get some ice cream.

WHAT HAPPENS:

You are both relieved. You and Chris hold hands and both enjoy this type of touching. You go out for a long time. You feel good about your decision, and enjoy each other.
