### Master Gardeners Helpline

Do you have a question about growing a vegetable garden? Wish you knew the name of that pesky weed that keeps popping up in your flower bed? Wonder what that funny looking insect is that is crawling across your shoe?

Dedicated Otsego County Cornell Cooperative Extension Master Gardener volunteers staff the phone line each week answering numerous questions about plant, tree and lawn care; vegetable and flower gardening, and integrated pest management practices.

Master Gardeners will be on duty from 9 AM to 3 PM Monday through Friday. If you have questions for the Master Gardeners please contact the helpline at:
