Absentee Bid Terms

- Absentee bids are handled by Auction staff who bids competitively on the absentee bidder's behalf. These bids are treated fairly and confidentially. By signing these terms, absentee bidders agree to the following guidelines:
- Absentee bids will be executed according to the catalog lot number. When completing the bidding portion of the bid sheet, absentee bidders must Clearly print lot numbers and price per each lot.
- Absentee bidders are solely responsible for errors on their bid forms and will be considered the purchaser.
- In general, bids usually start with the live audience. However, if the floor does not open the bidding at a reasonable amount, the absentee bid staff person has the discretion to open the item at 50% of the absentee bidder's maximum bid.
- No absentee bids will be accepted for under \$25.00 per lot. Absentee bids must be received by 4 pm and are subject to the TERMS AND CONDITIONS of the auction.
- Absentee bidders who subsequently attend the auction are advised to refrain from bidding on the lots they left bids for , until after the live bidding exceeds the amount left as an absentee bid.
- Successful absentee bidders will be notified on Saturday evening, following the auction. The absentee bidder's credit card will be charged on the next business day (Monday) for the successful bids. Item pickup must be made on Sunday following the auction. Any unremoved items will be considered abandoned and will be disposed of.
