It could save a life!

The File of Life is a magnetized packet that sticks to your refrigerator for quick access by emergency professionals. It enables medics to quickly obtain medical facts and data when an individual is unable to offer information.

If you, a family member, or a friend are without a File of Life, please give us a call!

Emergency Beacon

Every second counts during an emergency!

The Emergency Beacon turns any lamp or light fixture into a potential life-saving device. Just screw the adapter into your porch light fixture and it becomes an emergency flashing beacon, helpful to alert police, emergency medical responders or even your neighbors.

Great gift for a loved one!
