United Way of  
Schuyler County**

## HOW TO REACH TRIAD

Contact TRIAD at (607) 535-8242

Please leave a message and a TRIAD representative will return your call as soon as possible.

**What  
is the  
Emergency  
Beacon?**

The Emergency Beacon turns any lamp or light fixture into a potential life-saving device. Just screw the adapter into your porch light fixture and it becomes an emergency flashing beacon, helpful in alerting police, emergency medical responders or your neighbors.

**Makes a great  
gift for a loved  
one!**

*Every second  
counts during  
an emergency!*

**Order one today!**
