Spring 2007

### ***The Boomers are Coming!***

Recognizing the extraordinary potential for social good among America's 77 million baby boomers, the Corporation for National and Community Service recently unveiled a multi-year public service ad campaign that asks baby boomers to get involved in their communities. Find out more at [www.getinvolved.gov](http://www.getinvolved.gov)

Bureau of Labor data shows that 33.2 percent of all boomers, 25.8 million people, volunteered for formal organizations in 2005. This represents the highest rate of volunteering of any age cohort. Campaign organizers want to increase that percentage, especially as boomers begin to retire and have more free time.

Keep in mind when designing volunteer opportunities for your organization that Baby Boomers often prefer short-term activities that free them up for family obligations, travel and educational experiences. Frequently they are highly skilled young retirees, looking for a way to use their talents for the good of the community.

### ***Schuyler Volunteer Recognition***

Station representatives are invited to join us at the Schuyler County volunteer recognition luncheon on May 23rd at the Montour Moose Lodge. Cost is \$10 for non-volunteers. Entertainment by Ed Clute. Call 535-7105 by May 14th to make a reservation.

Volunteer counselor, Keith Smith, assists a Schuyler County resident with her taxes.
