## Finding Reliable Medical Information

### Looking for medical information?

Caregivers can tap into the knowledge of **Maryallison Farley**, the Catskill Regional Medical Center's Health Information Library Manager. Ms. Farley can help you locate the reliable information you are looking for during her presentation.

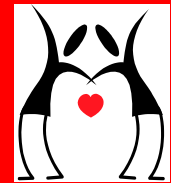

**At:** Cornell Cooperative Extension of Sull. Co.  
(64 Ferndale-Loomis Road, Liberty)

**On:** Tuesday, JULY 22 at 5 pm.

**Cost:** Free- refreshments served.

**RSVP:** 292-5250 - minimum of 5 participants

Maryallison Farley will offer to the general public and caregivers credible and factual sources of reliable medical information and how a person can search on their own for medical resources that will answer their questions.
