

April 2008

Dear Parents:

Welcome to Groton Youth Service's Summer Camp. The camp will run Monday through Friday from 9am to 4 pm from July 7 until August 15. Before and after camp care is available for an additional fee. The camp will be held at the Groton Middle/ High School and is licensed by the Tompkins County Health Department. We will also be swimming and using the Groton Memorial Park. During camp your child will enjoy healthy summer activities in a comfortable setting, including: swimming, arts and crafts, hot lunch, snacks, special activities, and games.

Please refer to the fee schedule below for more information about camp costs. Groton Youth Services does accept DSS camp payments. There are a limited number of "camperships" available for families for whom camp is a financial hardship. Please refer to the campership form if you think your family may be eligible for assistance.

Space is limited for this program and priority is given to children living in Groton and/or attending Groton schools. Please return the attached registration form and non-refundable \$10 registration fee to the address below as soon as possible. The registration fee is \$10 per family not per child. Space is available on a first come first served basis. You will be notified by mail shortly confirming your child's registration and will receive additional paperwork to complete your child's camp application.

Thank You,

Monica Dykeman
Camp Director
