Thank you for your interest in our

10th Annual Great Plant Swap & Sale

To make this sale a wonderful and rewarding experience for all, please review the following suggestions and information:

Bring only well cared for plants

Dig them up now, divide, separate and repot

Examine for pests

Water regularly

Feed if necessary

Identify by common and/or Latin name & indicate color

Plants must be in containers

We reserve the right to refuse any plants not meeting these criteria

On Saturday, **June 7th**, between the hours of 9 AM to 10 AM: bring your healthy, well cared for plants to the Forsyth Nature Center at Forsyth Park in Kingston. You can get to the Park by turning off of Lucas Avenue or through the parking lot of Deitz Stadium. A Master Gardener will be present to examine your plants and give you a voucher for trade.

11 AM to 11:30 AM has been reserved for SWAP ONLY. At this time everyone who brought plants to exchange can swap their vouchers for plants. At 11:30 AM we will offer the remaining plants for sale.

We look forward to meeting you and having a great time.
No early birds please.
