

CORNELL

**Cornell Cooperative Extension
Washington County**

Join the **Washington County Master Gardener Volunteers** for a wonderful late summer garden excursion to **Wave Hill** and **The Stone Barns Center for Food and Agriculture**. The trip includes roundtrip coach from the Wilton Mall and guided tours and admission to the innovative and award winning gardens at Wave Hill and Stone Barns. We will also get a tour of a surprise **private Rockefeller estate** that is very near these two stops. Departure from the Wilton Mall will be at 6:30am. After a tour and free time at both gardens, we will stop for dinner (not included in cost) on our way home with an expected arrival of ~10:30pm. Please feel free to bring a bag lunch although there are café's at Wave Hill and dress for the weather as this is a rain or shine event!

**Coach trip to Wave Hill
Gardens and
The Stone Barns Center
Thursday, September 8th**

Wave Hill is a non-profit cultural institution located on 28 beautiful acres along the Hudson River in the Bronx. There are award-winning gardens and greenhouses and an urban woodland that will interest all manor of gardeners.

Stone Barns Center for Food and Agriculture is a beautiful non-profit farm and educational center in the heart of Westchester County. Their mission is to demonstrate, teach and promote sustainable, community-based food production. Stone Barns offers a unique experience for the suburban and urban population near New York City; a chance to learn about farming firsthand on a real working farm. They were recently featured in the Martha Stewart Gardening magazine.

The Rockefeller Estate is a private residence with lovely gardens and Hudson River Valley views. Join us for this special experience!

Registration Due
by August 25th.
