

New York State 4-H Dog Program Immunity Summary Sheet

For the 4-H Year of _____

Member _____, County _____

Dogs Name _____, Breed/Mix _____

Age of Dog _____, Color _____

Considering the typical environments 4-H Dog activities may present to a dog, it is the judgement of the veterinarian who signs this sheet, that the above mentioned dog is current on vaccines for the following diseases. The following is to be filled out and signed by a veterinarian, (or if a veterinarian does not sign this form, a copy of the rabies certificate and 4 in 1 certificate must be enclosed).

_____ Rabies (Rabies vaccination was given on _____)

Next rabies vaccination is due on _____

_____ Parvovirus

_____ Leptospirosis

_____ Hepatitis

_____ Distemper

Signature of Veterinarian _____, Date _____

A copy of this should be on file in the 4-H Office and copy kept in possession of the member. This form can be used in substitution of copies of veterinary vaccination records. Can also be used in the case of titer use.
