

Worm Composting Workshop

Saturday, November 7, 2009

9:00 am to 11:00 am

Location: Cornell Cooperative Extension
401 N. Main St. in Warsaw

Cost: \$5.00

Worm composting is using worms to recycle food scraps and other organic material into a valuable soil amendment called vermicompost, or worm compost.

Master Gardener, Betsy Moll will instruct us on how to turn our winter kitchen scraps into useable garden compost.
