OF THE
HOME GARDENING

*Building Strong and Vibrant
New York Communities*

Cornell Cooperative Extension provides
equal employment and program opportunities.
As an enrollee, you have voting privileges and are eligible
to hold office in the Association.

The Home Gardening program is a valuable resource to answer your questions on flowers, vegetables, fruit, lawn, trees and shrubs, pests, and much, much more. Gardeners may access information through workshops, publications, phone inquiries, and office visits.

Home Gardening Program Enrollment Benefits

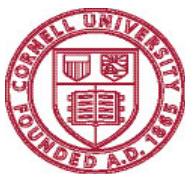

- “Gardener’s Insight”** - a newsletter sent quarterly that includes articles on home gardening, tree and shrub care, lawn care, home pests, recipes, calendar of workshops, and much more.
- Discounts on diagnostic services** – in-office insect or disease identification, weed or plant identification, and soil pH testing.
- Your choice of a FREE Gardening Publication** - on various topics in horticulture, marketing, plant diseases, etc...
- Access to Wyoming County Master Gardener Knowledge**
Master Gardeners on hand during the growing season to perform soil tests and answer horticultural inquiries.

You get all this for only \$18.00 per year!

Think Green! Check the “Go Green” box on your enrollment card if you would like to receive all of your information through e-mail only, including the Gardeners’ Insight newsletter.

Please complete the enclosed ivory enrollment card and return it with your payment today. Your requested free publication will be mailed to you.
